

I

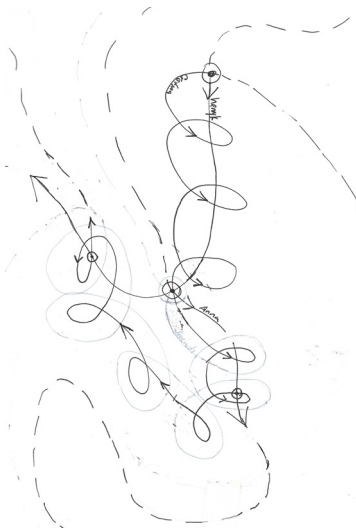

A library.

A middle-aged woman who doesn't know
what to do with herself.

A man who is depressed and can't
sustain regular interactions.

A daughter.

A deceased father.

Synchronicity among stranger's lives.

Restoring bonds by witnessing bonds.

Receiving by giving.

Connecting by recalling.

Only the living can remember?

Listening to the stranger and, in between
lines, talking to your dead.
